CONFERENCE CONNECTIONS

The UMR-ACUHO Conference Committee welcomes Annual Conference attendees to attend the Conference Connections event. An annual tradition at the beginning of the Annual Conference designed to connect new conference attendees to other attendees and maximize the conference experience. During the Conference Connections event, new conference attendees will connect with returning conference attendees to make professional connections, discuss the annual conference, and share about the conference experience. The Connection Brunch is an opportunity for seasoned and new professionals to connect and learn from one another. The brunch and mentor partners create space for new professionals to learn some names, faces, tips & tricks before the conference kicks off! Before the brunch, new staff will be connected to a seasoned staff member so their connection can develop and grow throughout the conference and beyond!

Are you interested in participating in the Conference Connections Brunch?

Yes No
